The South Shore Curling Club was formed in April 2010 to bring curling to the South Shore. We are fortunate to have found ice time at the Bridgewater Ice Arena, a two rink facility in Bridgewater, MA.

Curling is scheduled for Friday evenings 8:00–10:30 PM and runs from October through March (see "Memberships" panel for specific dates). We have one draw per night, using 5 sheets. This limits evening membership to 45.

We are also organizing a separate daytime curling program for people who have time to curl during the day. Exact curling times are under development. Please contact us to let us know if you are interested.

We have all the equipment you need to get started!

Memberships
